Delicious Food Supported by High Quality Education

The **Rocky Mountain Chefs of Colorado** offers a Culinary Apprenticeship Program with affordable tuition and real-world experience in the finest restaurants and hotels in Colorado. It is a terrific alternative to traditional culinary schools and expensive higher education choices. Graduates enter the field as leaders, poised for great success! For a more formal description of the program you can access Red Rocks' website at www.rccc.edu/culinary.

Each year, the Graduating Class plans and executes a gourmet Endowment Dinner and Silent Auction for approximately 400 guests. The event showcases the apprentices' advanced skills, and the proceeds help to subsidize tuition and provide for scholarships, books, tools and equipment.

We are requesting donations for our silent auction. Your organization will gain significant exposure to this group of culinary professionals, culinary industry leaders, and their friends and family who are both local and from around the country.

- Your donation to our 501c3 organization (61-149144) is tax deductible.
- Items that we are requesting include: gift certificates, experiences, event tickets, gift baskets, merchandise, crafts, services, or anything else you are able to contribute.
- You are encouraged to send marketing materials to be placed on the table with your silent auction item.

If you are unable to submit your donation and/or marketing materials to a student representative, please e-mail/ mail your contributions, or arrange for pick-up:
